

Smart Talk Cloud Service Trial

Smart IP is now offering a 30 day free trial of its industry leading "Smart Talk" Hosted Cloud phone service for businesses in the GTA in Ontario. Have you ever wanted to try cloud phone communications to see if it is right for you and your business? Well, now is your chance. IT'S FREE. You have nothing to lose. Just fill out the form below to start the process. Your pre-programmed Cloud Phone will be shipped out within 48 hours. All the features you could want at a price you can afford. IT'S FREE.

Terms of the Trial

1. Privacy Statement: All the information provided shall remain confidential and will not be shared or sold.
2. Warranty & Support: Smart IP Inc. is a wholly "Canadian" owned company all services are performed locally in the GTA.
3. This is a 30 day free trial. Customer's credit card will not be billed until day 36 for \$29.95 plus HST.
4. Should the Customer cancel, they will be responsible to return the phone to Smart IP / Meteor within 5 days or the end of the free month, prepaid (return shipping label with our address to be included in the original box supplied). The box will also contain directions for connecting a Softphone, an IOS or Android, and a contact name/number for technical support (Please refer to the document that was included in the package with the phone). **If not continuing with the free portion of the trial, it is the customers' responsibility to ensure the phone is returned and received to Smart IP by day 36 to avoid the commencement of billing (Month 2).**
5. If the customer wishes to expand the service during or after the initial trial period, a minimum continuing service of 5 sets is required to start a regular cloud hosted service agreement. Please contact Smart IP to order a regular service agreement.
6. Upon submission of this form, orders received before 12:00 PM, Smart IP will ship with 24 to 48 hours via Purolator/FedEx one phone preprogrammed with a pre-configured DID, and Caller ID.
7. Customer will receive a phone call within 7 days, and at the end of the trial period to ensure satisfactory operation and to answer any questions.
8. Customer will be responsible for any intentional damage to the phone while in their possession.
9. The trial can be extended for 90 days, but it will be billed from the second month on. Billing will begin on the 36th day at the start of the second month.

We do require some information to program the set and service. Please fill out the information below:
